For films rated "R" by the MPAA:

1. REG will not sell tickets to any person under the age of 17 (18 where applicable).

3. The purchaser must also attend the movie for which the additional tickets are purchased.
4. Patrons 17 to 20 years of age may only purchase more than one ticket if they are able to provide photo I.D. for proof of age for each additional ticket being purchased.
5. Children under the age of 6 years old will not be admitted.
6. Managers may empower Ushers to check for photo identification if a guest appears to be underage and is holding a ticket for an "R" rated feature.
7. Kiosk ticket sales are an important service for our guests. Tickets can be purchased online and picked up at the theatre, or an individual may purchase tickets directly from the kiosk. It is important to remember that the admittance procedures still apply to those individuals that make purchases or redeem on-line ticket purchases from a ticketing kiosk.
8. Theatre Employees may be stationed at the entrance to theatre(s) playing MPAA rated "R" films to check tickets and photo identification for all who enter to prevent minors from improperly entering.
9. REG reserves the right to refuse entrance to anyone that cannot present valid photo identification along with a ticket for the proper show time of the "R" rated film.

Note: Admission policies may vary by location due to state or local ordinances. Contact your local theatre if you have questions regarding any state or local requirements.

For films rated "NC17" by the MPAA:

1. No one under the age of 18 is allowed admittance to the feature, regardless of accompaniment or consent.
2. A patron desiring to purchase multiple tickets must provide a valid photo I.D. for each ticket they purchase.
3. Ushers may conduct additional photo I.D. checks for MPAA guideline adherence at the doorman's post and theatre checks.
4. Kiosk ticket sales are an important service for our guests. Tickets can be purchased online and picked up at the theatre, or an individual may purchase tickets directly from the kiosk. It is important to remember that the admittance procedures still apply to those individuals that make purchases or redeem on-line ticket purchases from a ticketing kiosk.
5. Theatre Employees may be stationed at the entrance to theatre(s) playing MPAA rated "NC17" films to check tickets and photo identification for all who enter to prevent minors from improperly entering.

ABOUT

POLICIES

COVID-19 SAFETY GUIDELINES

Updated July 1, 2022

Thank you for helping ensure we are all able to gather safely to enjoy the transformative POWER OF LIVE PERFORMANCES.

During the Covid-19 pandemic the theater underwent extensive renovations to its facilities and systems, many of which were designed with the health and safety of our patrons in mind:

- All new restrooms with touchless technology.
- New HVAC system that exceeds industry standards for virus filtration and air flow.
- Brand-new theater seats.
- Fully renovated lobbies and concessions.
- Hand Sanitizer stations are throughout the facility.
- Protective Barriers at Concessions and Guest Services.

Based on advice from the CDC and the state of New Jersey as well as best practices adopted by the performing arts industry, State Theatre has implemented the following health and safety guidelines.

- As of July 1, 2022, proof of vaccination status or results of a negative Covid-19 test are no longer required to enter the theater.
- Masks are strongly encouraged but not required.
- If you are feeling ill the day of an event or have been exposed to someone who has Covid-19, we kindly ask that you do not attend the performance. Call Guest Services no later than 3 hours before performance time to discuss your options at 732-246-7469.

Guidelines are subject to change at any time, and some artists and shows may require more stringent measures. Please refer to the performance page on this website before coming to the theater or your preshow email for the latest policies applicable to your show. Failure to follow posted guidelines will result in denial of entry or expulsion from the theater without a refund.

TICKET EXCHANGES

There are no ticket exchanges unless you fall within one of the following categories listed below:

- **President's Council member and above** (donors at \$2,500 and above): For a \$5 fee, ticket exchanges are permitted for State Theatre New Jersey-presented events no later than 72 hours prior to a performance (and during Guest Services operating hours). The original ticket purchaser must call their Ticket Concierge, Guest Services at 732-246-7469, or visit Guest Services to exchange tickets. The value of exchanged ticket monies must be redeemed within one year (365 days) of the date of the exchange and will expire thereafter. Exchange values can only be applied to tickets for State Theatre New Jersey-presented events and cannot be used for any other goods or services. All exchanges are subject to availability. Ticket sales for rental and special events are final sales and exchanges are not permitted. Tickets purchased from GoldStar or TodayTix cannot be exchanged through State Theatre New Jersey Guest Services.
- **Broadway Series Season Ticket Holders:** Ticket exchanges are permitted within the same show at least 24 hours in advance, subject to availability. The original season ticket purchaser must call the Season Ticket Concierge at 732-246-7469, ext. 555 or visit Guest Services to exchange tickets.

You can donate the value of your ticket(s) to State Theatre New Jersey as a tax-deductible contribution by 1pm the day prior to the performance date. Please note donated tickets only apply to State Theatre-presented event, rental and special events (/events/special-events) are excluded.

TICKET CREDITS & REFUNDS

Once an order is placed, there are NO REFUNDS on tickets unless the event is cancelled. Refunds are only made to the original purchaser and are issued for the value of the tickets only. In the event of a cancellation, every effort will be made to notify the purchaser.

If a show is impacted due to Covid-19 mitigation efforts original ticket holders can choose from these options within 30 days of notification of the performance change: If a show is rescheduled to a new date you can keep your existing tickets and they will be valid for the new date, or if a show is rescheduled and you cannot make the new date, or a show is cancelled you can: 1) Donate your tickets, the total ticket value will count toward member benefits and you can receive a tax deduction (ticket donations do not normally count towards membership but considering the circumstances we've decided to change our standard procedures for events affected by Covid-19). 2) Exchange your tickets for a STNJ gift certificate. 3) Receive a full refund for the value of the ticket and associated fees.

TICKET FEES

There is a \$4 facility fee assessed to each individual ticket and a transaction fee is applied to all phone and online orders. The transaction fee for group orders is \$12 per order. The transaction fee is waived for walk up orders at State Theatre New Jersey Guest Services (15 Livingston Avenue, New Brunswick, NJ). Season Ticket packages have a \$4 per ticket facility fee and a transaction fee.

TICKET UPGRADES

Based upon availability, ticket upgrades are permitted at the discretion of the presenter up until curtain and patron must pay any difference in the cost of the upgraded ticket price plus a \$9 upgrade fee.

TICKETS FROM UNAUTHORIZED SOURCES

State Theatre New Jersey strongly cautions against guests buying tickets from ticket sources not officially sanctioned by us. Many guests that have purchased tickets from brokers or scalpers find themselves in possession of counterfeit tickets at inflated prices. This is especially true on sold out shows. A counterfeit ticket will not be accepted. State Theatre New Jersey values customers' privacy and security, and we will not access records nor reprint tickets for anyone who cannot be verified as the original ticket buyer. The name on the ticket must match the name of the party presenting the ticket for entry. If you wish to change the name on your ticket, please contact Guest Services at least two business days in advance of the performance date to update your ticket. We will not be able to offer any refunds or exchanges if the ticket is deemed counterfeit or the name of the party presenting the ticket for entry into the performance does not match the name on the ticket order. We can only guarantee entry for tickets purchased from our official source: STNJ.org. Tickets for State Theatre performances are also occasionally offered on these approved sites: Goldstar, Groupon, TDF, and TodayTix. Watch our video on how to make sure you are purchasing official State Theatre New Jersey tickets. (/about/official-ticket-source)
